30th April 2021

Dear Parents, Carers and Friends of Thomas Bullock,

The children have been joyfully praising in Celebration Assembly with 'Sing Hosannah' which links to our weekly reflection of our value of responsibility. This weeks' focus has been on asking our children 'How do you give joy to others in your family or at school?' I certainly praised the hard work of our exceptional team and pupils during the assembly today and Mr Wade and I offered everyone Monday off in recognition! In case anyone has forgotten it is a bank holiday so we look forward to seeing the children in on Tuesday. Please do enjoy the extended sunny weekend.

As parents' evening is being conducted remotely on Tuesday and Wednesday next week, we have put together a short video of our current learning displays around school as you cannot come in to see them, enjoy!

Thank you to everyone who has donated plants, seeds and compost. The children have really enjoyed being in the polytunnel this week preparing and planting. The children in year 2 have also used the various vegetable plants, before they were planted, to do observational drawings, comparing and contrasting the different plants.

A couple of reminders...

- Please be reminded that water bottles should contain water only and be named.
- Please be extra vigilant when driving near to the school entrance. At this time of year there are more children cycling, scooting and walking to school. Also, parking is not permitted in the school carpark unless you have permission.

Africa Class (Year 3)

Year 3 this week have been investigating special places in their community by using Google Maps during a cross curricular computing and geography lesson.

Shining Lights of the Week!

- Ark Class** **Nellie** for being a responsible member of our class. Taking care of things in the classroom and checking in on her peers, making sure they're always happy!
- Oceania Class** **Sienna** for being a responsible member of the class, listening to others, working well in a team and always being ready for learning.
- Asia Class** **Autumn B** for settling in well as a new member of year 2 this half term and taking responsibility to learn new routines.
- Africa Class** **Noah E** for perseverance with his work all week and showing responsibility to his class-mates by sharing his enthusiasm and engagement during lessons.
- South America** **Niall and Archie** for working extremely hard on their explanation text in English.
- Europe Class** **Neve** - for persevering with long multiplication until she could accurately multiply a 4 digit number by a 2 digit number.
- North America** **Tristan** for pushing himself to the best that he can be, particularly in respect of his sentence starters, presentation and handwriting.

The week's overall attendance - 98.2%
