Thank you kindly for completing the survey and for your excellent comments which we have shared.

You commented:	Our next step to improve:
SENCO- Receiving the support requested	Mrs Carter is in school every Thursday and available via email to request appointments with. We will have a getting to know SEN with her in the Autumn term for parents with pupils who have SEND.
Communication around interventions and	Mrs O'Sullivan and Mr Wade will hold a PiXL Therapy and intervention session early in the Autumn term to discuss how we run therapies in school for all pupils to improve each child from

additional class therapies and support	whatever their starting points may be. Please do book onto this session to learn more about how we run these at our school. We will aim to have you notified if your child has been placed in an additional group.
Interactions with staff and being available on the gate	We have been asked that when restrictions are lifted that we continue to be seen on the gate as staff were not visible previously. We will continue this practice.
Parent Cafes and Welcoming	We will look to have a more open and welcome approach to ensuring we offer a parent group for interactions and sharing of information.
