- Supportive safe environment
- Such a supportive school with the best teaching staff
- My son has had a lovely start to the school - he transferred here in September. He has made friends and settled well and his reading and learning have accelerated massively.
- The staff are fantastic, pupil's success and well-being is the focus of every staff member I have been in contact with. I have worked in early years myself for 14 years and was very worried that school wouldn't meet my expectations for my daughter, however I couldn't have been more wrong. Miss Bell-Tye, Mrs Taylor and the forest school teacher are all a huge credit to the school
- Thomas Bullock is a friendly, welcoming and nurturing school that is absolutely committed to supporting children to achieve their potential. The teachers and leadership team have great ambition for the children and the school without ever being pushy or putting pressure on the children. The recent SATS results demonstrate this, alongside the fact that the children completed them happily,

without stress or upset. A superb team, who may never know the huge difference they made to my daughter. Thank you.

- Focus on children, engaged motivated teacher the children adore.
- The school is a positive, nurturing and progressive environment for my children to learn.
- Excellent staff who I have found supportive, communicative, & empathetic towards my children making their time at the school a positive experience.
- The support and nurturing has really developed my child's confidence and belief in themselves
- This school has proved itself to be a welcoming, caring, supportive and high achieving school. The pupils & staff in our daughter class have made her mid year transition such a smooth and happy one. In and out of school the children are always friendly, considerate, polite and caring. It's been a joy to read the newsletters with all the activities going on this summer and also to see so many genuinely happy faces in and around the school. A real credit to all those working at Thomas Bullock.
- Lots of support and encouragement offered. Brilliant communication. Lots of positivity to promote learning and encourage engagement.
- Every teacher has gone above and beyond for my children. I feel I can go to any teacher with any issue and it is greeted with compassion and respect, and it is resolved very quickly. The school is welcoming and warm and the children seem to love being there.
- Well resourced, lots of opportunities given to children, excellent teaching
- Since moving Aaliyah and Hugo to the school they have come on leaps and bounds. Their enthusiasm, excitement and eagerness to learn shines through every day and this is down to the wonderful teachers, TAs and leadership at the school. I can't thank all of you enough for getting them settled in so quickly, supporting them due to a family and death but also more importantly getting them to the required level that they were lacking due to previous schooling.
- Supportive warm welcoming atmosphere
