

The Ark Nursery Newsletter

This week

Monday was sports day. We had so much fun in the sunshine with our families. To cool down after, we dunked our feet and splashed in cold water. In phonics, we began our whole class writing in phonics this week, in readiness for September. Instead of smaller groups, we sat and listened amazingly as Miss Bell-Tye told us a sound, we then found the sound on our sound mat, repeated the handwriting rhyme as we wrote the letter in the air, before putting pencil to paper! We've also had lots of storytelling this week - the children are loving traditional tales. We placed our Goldilocks wanted posters around school and are still waiting to hear if anyone has had any sightings! We've been getting messy with shaving foam, cooling down with water play and cold orange slices and enjoying some stories together in the shade.

Next week

We move onto our literacy learning surrounding the story 'Jack and the Beanstalk'. We have lots of exciting activities planned for this too! During maths, we will look at recapping number composition. As well as lots of other activities that you'll see on Tapestry, we will also be preparing for our Nursery graduation for our older children and talking lots about transitions!

Learning links at home

-Mark make outside using chalk or water!

-Practise ball skills on your own or with an adult. Can you throw the ball? Can you catch the ball? Can you kick the ball?
