Key Stage Two

Gressenhall Farm & Workhouse – This is linked to our World War 2 topic and allows the children to immerse themselves in what it would have been like to be an evacuee. Dressing up and eating a war-time packed lunch completes the experience!

Norwich Cathedral – Our year 6 children regularly attend the "Moving On" event, hosted by staff at Norwich Cathedral. This gives the children an opportunity to consider periods of transition and how they can manage these, in a fun and informative manner.

Royal Norfolk Show – Our key stage 2 children have participated in a musical performance in the Grand Ring, together with professional musicians. The rest of the day is given over to experiencing all the sights and sounds that this annual Norfolk event has to offer.

Crucial Crew – This trip is an interactive safety initiative, regularly attended by our older children. They experience a wide range of realistic situations involving crime and / or danger, learning how they can safeguard themselves and others should they experience such situations out in the real world.
