Autumn Term 2 Newsletter

North America Class
Year 6

Let Your Light Shine!

Our value this half term is **honesty** which is great as in Year 6 we always try to be honest with ourselves and others.

Hopefully, the nice weather will continue for a few more weeks but coats and wellies will become essential. Any questions please contact the office and I will get back to you as soon as I can.

Our PE day is Monday, please dress appropriately for indoor or outdoor PE. We will also have Forest Schools on Thursday afternoons so please bring clothing to change into that will keep you warm and dry. Inappropriate clothing may result in missing session.

This half term's learning:

This half term's topic is **the environment.**

This means our topic focus this half term will be **Geography.**

English learning objectives:

This half term we will begin by reading, 'Floodland' by Marcus Sedgewick. We will be using our creativity to write newspapers and to persuade and inform.

Maths learning objectives:

In Maths we will be developing our knowledge of fractions and finish the term by looking at measurements. We will also continue to practice our arithmetic skills daily looking at a range of efficient methods and strategies.

Other Curriculum Areas:

This half term we will be starting our new topic about the environment and how as humans we impact upon this.

In Science we will be learning about classification of living things

In Computing we will begin by refreshing our knowledge on the important topic of E-safety and how to act responsibly and stay safe digitally as well as looking at how information is presented and published on websites.

In Art we will be exploring cityscapes through the medium of drawing in the style of Stephen Wiltshire and creating our own wintery versions of these for display in school.
