Nursery Newsletter
23rd October 2026

This week:

In Literacy we have continued our learning surrounding the story 'You Choose'. We have recognised and described our favourites, creating our own pages of the book focussing on our favourite animals, clothes, food and types of transport.
In Maths, we have been looking at the sequence of numbers in songs and rhymes. We have enjoyed singing a variety of number songs using repeated actions, matching counting words to objects. The children have especially enjoyed singing 'When Goldilocks went to the house of the bears', counting their bowls, spoons, beds and the bears carefully.
In our topic work we have learnt about our five senses creating fruit kebabs to smell and taste different fruits, as well as enjoying a sensory walk around Letton Hall. The children were all excited to see and hear the sheep, cows and birds!

Next week:

After half term we are learning a new literacy text called 'The Best Diwali Ever' – where we will be exploring the celebrations that take place during the festival of lights. We will also be continuing our maths learning of patterns where we will be exploring patterns in songs, stories, daily routines and what happens next.

Learning Links at home:
-Go on a sensory walk – what can you hear, see, feel, smell and taste?
-Practice counting toys at home, coloured cars on your walk to school or steps up the stairs!
