Nursery Newsletter 9th October 2026

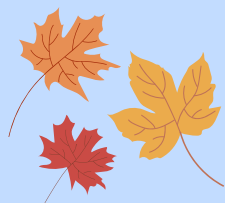

This week:

This week we have learnt a new Literacy text – 'Rosie's Walk'. We became text detectives to identify and predict the characters, setting and plot. We also practised our actions for the story and have even created our own story maps to help retell the story orally.

In Maths, we have been beginning to look at rhyme and patterns in songs and text. We have enjoyed reading rhyming books and singing rhyming songs, especially joining in to role play 'Five Little Speckled Frogs'.

We have explored a mystery bag, predicting what could be inside - it was in fact a pumpkin! The children enjoyed guessing what was inside and then creating their own pumpkin paintings.

We have been on an Autumn walk around Letton Hall grounds, looking for Autumn treasures. We found lots of cones, sticks, leaves and acorns - we have talked about the seasonal changes that happen in Autumn.

Next week:

Next week we are learning a new literacy text called 'You Choose' – where we will be exploring our homes, foods, families and transport. We will also be continuing our maths learning of sorting, and making our own rule for sorting objects in our classroom.

Learning Links at home:

- Go on your own nature walk and collect your own Autumn treasures!
- Muffin trays – are great for sorting pom poms or buttons by colour!
- Can you draw a picture of your favourite food - consider harvest and the different fruits and vegetables we would see in Autumn.
