Key Stage Two

Time and Tide Museum – Bursting with History and links to the local area, the Time and Tide Museum provides a fun filled activity-based trip for both Years 3 and 4. Linking to History topics of Stone, Bronze and Iron age Britain for our Year 3's and The Roman's for our Year 4's there is lots to see and do at this museum including looking at different artefacts, learning about the differences of how people lived in each era, trying out shield formations, dressing up as members of the Icini Tribe, learning about the slave trade and much more.

Pizza Express workshop – Learning about Europe and linked to their case study of Italy and food technology, our children have the opportunity to do some pizza making! A favourite for many!

Cressenhall Museum and Workhouse – Both our Year 5 and Year 6 children take trips to Cressenhall during the school year. Linked to their learning about the Victorian era in History, Year 5 take part in a Victorian Activity Day. They dress as Victorian's for the day, meet costumed characters, work in the fields, take a Victorian school lesson, learn about life in the workhouse and help out in a Victorian kitchen and washhouse.

To support their learning of Global Challenges, our Year 6 children learn all about key inventions through time, the progression of the human race and their impact on the world. They take part in various activities linked to the theme of climate change and learn about 'The best invention ever' and how humans have changed the world.

Key Stage Two

West Stow Anglo-Saxon Village – To support learning about the Anglo-Saxon's this trip gives the children the opportunity to explore reconstructions of building, look at artefacts and study finds from the site in the museum and take part in discussions about the Anglo-Saxon's.

IWM Duxford – To support learning about WWII the children are able to explore the museum and take part in a digital session called 'Documentary Challenge' which involves using smart cameras and are tasked with making mini documentaries. The day gives them a unique insight into conflict and over a century of aviation.

Norwich Castle – Linked to their topic of Ancient Egyptians, the children enjoy handling real ancient Egyptian artefacts, learn about the process of mummification, see a real ancient Egyptian mummy and make a replica of an ancient Egyptian collar. They also hear different opinions about whether tombs of ancient Egyptians should be opened and the artefacts inside removed and use this information to form their own opinion.

The Horstead Centre – This two-day, one-night residential trip sees the children take part in four activities: Tower experience, canoeing, archery and crate stack. The purpose of the trip is to provide the children with the experience of working as part of a close knit team away from home, while taking part in physical and mental challenges, as well as looking after each other and building strong relationships.

Key Stage Two

Eaton Vale Activity Centre – This three-day, two-night residential sees our Year 6 children enjoy a range of activities including kayaking, caving, air rifles, and go-karting to name but a few, all aimed at building confidence, trying new things, enjoying the outdoors, team building and having fun! This is a much anticipated and well enjoyed annual trip.

The Royal Norfolk Show – Last Year, our Year 3, 4 and 5 children took a trip to the Royal Norfolk Show where they were able to learn more about food, farming and the countryside in Norfolk. As well as the Discovery Zone, a hub of interactive learning that links to our STEM subjects (Science, Technology, Engineering and Maths), there is a Rare Breeds Animal Farm which encourages the children to think about native breeds and conservation, the Woodland area which has activities to linked to our countryside and the Broads Village where the children are able to learn about the ecology of our Broads National Park habitat. Our school choir also had the opportunity to perform on the Norfolk Schools stage as well as take part in The Royal Salute, a musical tribute to HRH Queen Elizabeth II.
